Hannibal Amateur Radio Club Monthly Meeting Minutes

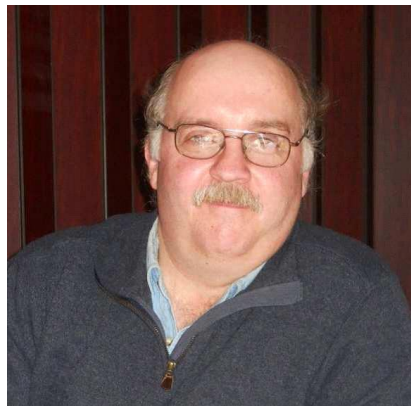

No Meeting due to lack of a quorum

Ken Foster from the Macon Amateur Radio club came across this while on a trip to Italy

FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN

Hello again everyone. Another month gone by and Summer is not far away. Also Field Day is fast approaching. After the last couple of years it is nice to have in-person events starting back up, as evidenced by Hamfest. I would like to see the club getting back to an in-person Field Day this year, but we don't have much time to plan. If anyone knows of a place where we might be able to hold the event, please let me know. In addition, if you can reach out to whomever owns, operates or whatever the site you have in mind, please open a dialog with them to see about using the site. We would need space for setting up antennas and our radios, of course, electrical power, or the ability for generators and facilities for nature calls, etc. Hopefully at the June meeting we will have some locations to talk over and decide. Not much else going on, so I will just say, stay safe and we'll see you down the log.
